NOTE: This bar graph combines the "sold" listings of all office locations and independent offices of each multi-office or franchise organization identified, which listings were sold by such organization itself, or with the aid of a cooperating broker, according to data maintained by the Local Board or Multiple Listing Service for the geographic area indicated. The bar graph compares all those listings that were "sold" by each organization during the period 01/01/10- 03/31/10. This representation is based in whole or in part on data supplied by the Pennsylvania & Delaware Board of REALTORS (TReND) and their Multiple Listing Service.
